

# **Introduction to the Re-assignment Notice: Plan Premium Increase Version**

## **What Is the Purpose of This Notice?**

The purpose of this notice is to inform people who qualify for extra help and whose plan premiums are increasing what plan they will be re-assigned to if they don't tell their current plan they want to stay or join a new plan on their own by December 31, 2006.

The notice includes two pages. The first page is a letter printed on the front and back of blue paper. The second page includes a list of plans for each region that have premiums at or below the low-income premium subsidy amount.

## **Who Gets This Notice?**

Medicare will re-assign people who qualify for extra help whose premium in 2007 would increase above the regional low-income premium subsidy amount by more than \$2, and who are still enrolled in the Medicare Prescription Drug Plan to which Medicare enrolled them.

## **When Do People Get This Notice?**

The notice will be mailed by early November.

## **What Should People Do Next?**

If people have questions about the notice or Medicare prescription drug coverage, they can

- read the "Medicare & You" handbook.
- visit [www.medicare.gov](http://www.medicare.gov) on the web.
- call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- call their State Health Insurance Assistance Program (SHIP) for free personalized health insurance counseling.

People can reference the publication number, CMS Pub. No. 11209, if they call Medicare or their SHIP with questions.

<BENEFICIARY FULL NAME>  
<ADDRESS>  
<CITY STATE ZIP>

HICN <1234>  
<file creation date>

**Please read this notice carefully and keep it for your records.** Your Medicare prescription drug coverage is changing. You are getting this notice because your Medicare drug plan costs will increase beginning January 1, 2007. **Because your costs are increasing, Medicare is giving you ways to get lower costs. You have three options to consider:**

**Option 1: Medicare will enroll you in <Organization's Name>'s <Name of plan>. If you want Medicare to enroll you in this plan, you don't need to do anything. Your monthly premium payments will be lower than if you stay in your current plan.**

With this new Medicare drug plan, you will pay

- < % or \$0> of the drug plan premium as a monthly fee,
- <\$0 or up to \$53> for your yearly prescription drug plan deductible, and
- <insert LIS copayment amounts or % of the cost of each prescription> when you fill a prescription covered by the plan.

**If you don't do anything,** Medicare will enroll you in <Organization Name>'s <Name of plan> and your coverage will begin January 1, 2007.

Please call <Name of plan> at <Plan phone> for more information about this Medicare drug plan. You should check which drugs are covered and what pharmacies you can use. When you call the plan, they may ask for your address. You may also visit <Plan website> on the web for more information.

**Note:** If you have moved recently, call this plan to be sure it serves where you live now. If you are getting this notice because you are a representative payee for someone with Medicare, please call this plan to be sure it serves the area the person with Medicare currently lives. If it doesn't, call 1-800-MEDICARE to choose and join a plan that serves that state. TTY users should call 1-877-486-2048.

Continued on back 

**Para obtener una copia de este aviso en español, llame GRATIS al 1-800-MEDICARE (1-800-633-4227). Los usuarios de TTY deben llamar al 1-877-486-2048.**

**Option 2: You can stay in your current plan. If you stay, you will pay a higher monthly premium fee in 2007.** To find out what your costs will be starting January 1, 2007, call your plan.

If you want to stay in your current plan, call your plan before December 31, 2006, and tell them you want to stay a member of this plan. **If you don't tell your plan you want to stay, Medicare will enroll you in a different plan.**

**Option 3: You can switch to a different Medicare drug plan.** If you would like to switch to a different Medicare drug plan, please see the list of plans included with this notice. Compare plans and join a new plan that meets your needs. You should find out which plans cover the prescriptions you take and what pharmacies you can use to fill your prescriptions.

If you want to switch plans to avoid increased premium costs with your current plan or before Medicare enrolls you in a plan, you should join a new plan before December 31, 2006. Enrolling early in the month (by December 8) gives the new Medicare drug plan time to mail you a membership card, acknowledgement letter, and welcome package before your new coverage becomes effective.

You will have at least one opportunity to switch plans in 2007 if you need to.

- If you have Medicare and get full Medicaid benefits **or** help from Medicaid paying your Medicare premiums (belong to a Medicare Savings Program), you can switch plans anytime for coverage effective the first day of the next month.
- If you get Supplemental Security Income (SSI) benefits but not Medicaid, **or** you applied and qualify for extra help, you can switch plans at least once through the end of 2007.

If you want to join a different Medicare drug plan, call the new plan to find out how to join. Joining a different plan will end your current Medicare drug plan coverage.

**Please consider your options carefully.** If you need help understanding this notice, please show it to a family member, friend, case manager, or someone else you trust. You can also call your State Health Insurance Assistance Program at <insert state number> or 1-800-MEDICARE (1-800-633-4227) for help. TTY users should call 1-877-486-2048.

## Region 1: Maine and New Hampshire

Below is a list of other Medicare drug plans in your state. You should join one of these plans by December 31, 2006, if you don't want Medicare to enroll you in a plan, or you don't want to stay with your current plan.

For each plan listed, you will find the name of the organization offering the plan, the plan name and telephone number. Compare the plans and join one that works for you. If you call the plans to compare them, you should find out which plans cover the prescriptions you take and what pharmacies you can use to fill prescriptions.
