

How to Order CMS Publications

Publications for People with Medicare

For Beneficiaries:

Phone: 1-800-MEDICARE (1-800-633-4227)

Online orders: www.medicare.gov

At the bottom of the page under **Search Tools section**, click "Find a Medicare Publication." On the publication search page you can view all publications or limit your search by entering a key word or publication ID.

To be taken directly to the publication search page, click here:
<http://www.medicare.gov/Publications>

The fastest way to get a publication is to use the search tool to locate the appropriate publication, then view and print it. When ordering a publication online or through 1-800-MEDICARE; please allow 3 weeks for receipt.

For Organizations Ordering Multiple Copies:

If you have any questions, send an e-mail to mailpubs@cms.gov

Provider Publications—Medicare Learning Network Catalog

Online orders:
http://cms.meridianksi.com/kc/main/kc_frame.asp?kc_ident=kc0001&loc=5

The product ordering system is set up to take automated orders of one item, each. When the system receives an order for more than one item, it generates an e-mail to CMS staff who manually process these orders. User must provide justification when requesting more than one item. For purposes of inventory control, all requests for products must go through the product ordering system.
